**OPINION AND ORDER GRANTING  
PETITION FOR RECONSIDERATION**

Lien claimant Premier Psychological Services seeks reconsideration of the March 8, 2024 Findings and Orders issued by the workers' compensation administrative law judge (WCJ) in both case numbers listed above, wherein the WCJ disallowed lien claimant's lien.<sup>1</sup> The WCJ concluded that the medical reporting of Mark H. Michaels, PhD ("Dr. Michaels") was not substantial evidence, that lien claimant failed to prove that applicant sustained either a specific or cumulative trauma psyche injury, and that even if substantial evidence did exist to show any psyche injury, defendant had proved the post-termination defense of Labor Code section 3208.3.

We did not receive an Answer. The WCJ prepared a Report and Recommendation on Petition for Reconsideration (Report), recommending that the Petition be denied.

We have considered the Petition for Reconsideration and the contents of the Report, and we have reviewed the record in this matter. Based upon our preliminary review of the record, we will grant applicant's Petition for Reconsideration. Our order granting the Petition for Reconsideration is not a final order, and we will order that a final decision after reconsideration is deferred pending further review of the merits of the Petition for Reconsideration and further consideration of the entire record in light of the applicable statutory and decisional law. Once a

<sup>1</sup> Commissioner Palugyai, who was on the panel that handled a prior petition in this matter, no longer serves on the Appeals Board. Another panelist has been assigned in her place.

final decision after reconsideration is issued by the Appeals Board, any aggrieved person may timely seek a writ of review pursuant to Labor Code section 5950 et seq.

## I.

We highlight the following legal principles that may be relevant to our review of this matter:

It is well established that decisions by the Appeals Board must be supported by substantial evidence. (Lab. Code, §§ 5903, 5952(d); *Lamb v. Workmen's Comp. Appeals Bd.* (1974) 11 Cal.3d 274 [39 Cal.Comp.Cases 310]; *Garza v. Workmen's Comp. Appeals Bd.* (1970) 3 Cal.3d 312 [35 Cal.Comp.Cases 500]; *LeVesque v. Workmen's Comp. Appeals Bd.* (1970) 1 Cal.3d 627 [35 Cal.Comp.Cases 16].) “The term ‘substantial evidence’ means evidence which, if true, has probative force on the issues. It is more than a mere scintilla, and means such relevant evidence as a reasonable mind might accept as adequate to support a conclusion...It must be reasonable in nature, credible, and of solid value.” (*Braewood Convalescent Hospital v. Workers' Comp. Appeals Bd. (Bolton)* (1983) 34 Cal.3d 159, 164 [48 Cal.Comp.Cases 566], emphasis removed and citations omitted.)

Medical evidence is required if there is an issue regarding the compensability of the claim. (Lab. Code, §§ 4060(c)(d), 4061(i), 4062.3(l).) A medical opinion must be framed in terms of reasonable medical probability, it must be based on an adequate examination and history, it must not be speculative, and it must set forth reasoning to support the expert conclusions reached. (*E.L. Yeager Construction v. Workers' Comp. Appeals Bd. (Gatten)* (2006) 145 Cal.App.4th 922, 928 [71 Cal.Comp.Cases 1687]; *Escobedo v. Marshalls* (2005) 70 Cal.Comp.Cases 604, 620-621 (Appeals Bd. en banc).) “Medical reports and opinions are not substantial evidence if they are known to be erroneous, or if they are based on facts no longer germane, on inadequate medical histories and examinations, or on incorrect legal theories. Medical opinion also fails to support the Board’s findings if it is based on surmise, speculation, conjecture or guess.” (*Heggin v. Workmen's Comp. Appeals Bd.* (1971) 4 Cal.3d 162, 169 [36 Cal.Comp.Cases 93].) Defendant holds the burden of proof on apportionment of permanent disability. (Lab. Code, § 5705; see also *Escobedo, supra*, 70 Cal.Comp.Cases at p. 613.)

Further, decisions of the Appeals Board “must be based on admitted evidence in the record.” (*Hamilton v. Lockheed Corporation (Hamilton)* (2001) 66 Cal.Comp.Cases 473, 476

(Appeals Board en banc.) An adequate and complete record is necessary to understand the basis for the WCJ's decision. (Lab. Code, § 5313; see also Cal. Code Regs., tit. 8, § 10787.) "It is the responsibility of the parties and the WCJ to ensure that the record is complete when a case is submitted for decision on the record. At a minimum, the record must contain, in properly organized form, the issues submitted for decision, the admissions and stipulations of the parties, and admitted evidence." (*Hamilton, supra*, 66 Cal.Comp.Cases at p. 475.) The WCJ's decision must "set [] forth clearly and concisely the reasons for the decision made on each issue, and the evidence relied on," so that "the parties, and the Board if reconsideration is sought, [can] ascertain the basis for the decision[.] . . . For the opinion on decision to be meaningful, the WCJ must refer with specificity to an adequate and completely developed record." (*Id.* at p. 476 (citing *Evans v. Workmen's Comp. Appeals Bd.* (1968) 68 Cal.2d 753, 755 [33 Cal.Comp.Cases 350]).)

The WCJ and the Appeals Board have a duty to further develop the record where there is insufficient evidence on an issue. (*McClune v. Workers' Comp. Appeals Bd.* (1998) 62 Cal.App.4th 1117, 1121-1122 [63 Cal.Comp.Cases 261].) The Appeals Board has a constitutional mandate to "ensure substantial justice in all cases." (*Kuykendall v. Workers' Comp. Appeals Bd.* (2000) 79 Cal.App.4th 396, 403 [65 Cal.Comp.Cases 264].) The Board may not leave matters undeveloped where it is clear that additional discovery is needed. (*Id.* at p. 404.)

Here, it is unclear from our preliminary review of the evidence and the existing record whether the legal issues have been properly identified and addressed. Specifically, we are concerned about the possibility that the WCJ's analysis of Dr. Michaels' reporting is insufficient to comply with *Hamilton* and Labor Code section 5313. Furthermore, although the WCJ repeated his conclusion that defendant proved the post-termination defense of Labor Code section 3208.3, because the WCJ did not find injury in either claim, further analysis and findings may be required to support this conclusion of law in the event that it is necessary to support the disallowance of the lien. Finally, we note that the Petition for Reconsideration alleges that the WCJ failed to determine whether some portion of the lien might be payable as a medical-legal expense, rather than as medical treatment; our initial review of the record indicates the WCJ may not have sufficiently analyzed this claim.

## II.

Under our broad grant of authority, our jurisdiction over this matter is continuing.

A grant of reconsideration has the effect of causing “the whole subject matter [to be] reopened for further consideration and determination” (*Great Western Power Co. v. Industrial Acc. Com. (Savercool)* (1923) 191 Cal.724, 729 [10 I.A.C. 322]) and of “[throwing] the entire record open for review.” (*State Comp. Ins. Fund v. Industrial Acc. Com. (George)* (1954) 125 Cal.App.2d 201, 203 [19 Cal.Comp.Cases 98].) Thus, once reconsideration has been granted, the Appeals Board has the full power to make new and different findings on issues presented for determination at the trial level, even with respect to issues not raised in the petition for reconsideration before it. (See Lab. Code, §§ 5907, 5908, 5908.5; see also *Gonzales v. Industrial Acci. Com.* (1958) 50 Cal.2d 360, 364.) “[t]here is no provision in chapter 7, dealing with proceedings for reconsideration and judicial review, limiting the time within which the commission may make its decision on reconsideration, and in the absence of a statutory authority limitation none will be implied.”; see generally Lab. Code, § 5803 [“The WCAB has continuing jurisdiction over its orders, decisions, and awards. . . . At any time, upon notice and after an opportunity to be heard is given to the parties in interest, the appeals board may rescind, alter, or amend any order, decision, or award, good cause appearing therefor.”].)

“The WCAB . . . is a constitutional court; hence, its final decisions are given res judicata effect.” (*Azadigian v. Workers’ Comp. Appeals Bd.* (1992) 7 Cal.App.4th 372, 374 [57 Cal.Comp.Cases 391; see *Dow Chemical Co. v. Workmen’s Comp. App. Bd.* (1967) 67 Cal.2d 483, 491 [32 Cal.Comp.Cases 431]; *Dakins v. Board of Pension Commissioners* (1982) 134 Cal.App.3d 374, 381 [184 Cal.Rptr. 576]; *Solari v. Atlas-Universal Service, Inc.* (1963) 215 Cal.App.2d 587, 593 [30 Cal.Rptr. 407].) A “final” order has been defined as one that either “determines any substantive right or liability of those involved in the case” (*Rymer v. Hagler* (1989) 211 Cal.App.3d 1171, 1180; *Safeway Stores, Inc. v. Workers’ Comp. Appeals Bd. (Pointer)* (1980) 104 Cal.App.3d 528, 534-535 [45 Cal.Comp.Cases 410]; *Kaiser Foundation Hospitals v. Workers’ Comp. Appeals Bd. (Kramer)* (1978) 82 Cal.App.3d 39, 45 [43 Cal.Comp.Cases 661]), or determines a “threshold” issue that is fundamental to the claim for benefits. Interlocutory procedural or evidentiary decisions, entered in the midst of the workers’ compensation proceedings, are not considered “final” orders. (*Maranian v. Workers’ Comp. Appeals Bd.* (2000) 81 Cal.App.4th 1068, 1070, 1075 [65 Cal.Comp.Cases 650].) “[interim orders, which do not decide a threshold issue, such as intermediate procedural or evidentiary decisions, are not ‘final’ ”]; *Rymer, supra*, at p. 1180 “[t]he

term [‘final’] does not include intermediate procedural orders or discovery orders”]; *Kramer, supra*, at p. 45 [“[t]he term [‘final’] does not include intermediate procedural orders”].)

Labor Code section 5901 states in relevant part that:

No cause of action arising out of any final order, decision or award made and filed by the appeals board or a workers’ compensation judge shall accrue in any court to any person until and unless the appeals board on its own motion sets aside the final order, decision, or award and removes the proceeding to itself or if the person files a petition for reconsideration, and the reconsideration is granted or denied. ...

Thus, this is not a final decision on the merits of the Petition for Reconsideration, and we will order that issuance of the final decision after reconsideration is deferred. Once a final decision is issued by the Appeals Board, any aggrieved person may timely seek a writ of review pursuant to Labor Code sections 5950 et seq.

### III.

Accordingly, we grant applicant’s Petition for Reconsideration, and order that a final decision after reconsideration is deferred pending further review of the merits of the Petition for Reconsideration and further consideration of the entire record in light of the applicable statutory and decisional law. ***While this matter is pending before the Appeals Board, we encourage the parties to participate in the Appeals Board’s voluntary mediation program. Inquiries as to the use of our mediation program can be addressed to [WCABmediation@dir.ca.gov](mailto:WCABmediation@dir.ca.gov).***

For the foregoing reasons,

**IT IS ORDERED** that applicant's Petition for Reconsideration is **GRANTED**.

**IT IS FURTHER ORDERED** that a final decision after reconsideration is **DEFERRED** pending further review of the merits of the Petition for Reconsideration and further consideration of the entire record in light of the applicable statutory and decisional law.
